1. There is forwarded herewith a report prepared by Source on the basis of information received from his friend KIRA who has recently returned from Yugoslavia. Enclosure written, of course, from the Kosovo nationalist point of view, is compiled under the following headings:

- a) Political situation.
- b) Economic situation.
- c) Military situation.
- d) Albanian refugees and their activities.
- e) Communist activities.
- 2) Background and miscellaneous information concerning Special TROST and TROST SPANISH.
- g) Macedonian anti-TROST resistance.

2. Source had hoped that on his return to Istanbul KIRA would bring with him the entire sum of 500 British Sovereigns which the former had left with his sister-in-law MU on quitting Yugoslavia. The sister-in-law, however, had been forced to spend 100 Sovereigns of this amount for her son and her family's maintenance in the meantime. And, as she has no means of support, KIRA left with her 200 Sovereigns, thus bringing out a total of only 300 Sovereigns for Source. This sum was recently entrusted to the Master of
